Sir,

Subject : Modification of Hotel Bye-laws of Sagar Municipality

---

I have the honour to state that the Government have been repeatedly observing at the time of sanctioning the yearly budgets to improve the financial resources of this Municipality in order to be able to meet the increasing expenditure year by year This aspect of the question is also stressed several times by the Deputy Commissioner upon the Municipal Council As a measure towards increasing its resources, one of the ways thought of was to revise the Licensing fees in respect of Indian Hotels, which remained unchanged for the last 10 years The business in almost all the Hotels have increased considerably and large profits are made by the Hotel keepers The Municipality has to incur large expenditure towards maintaining sanitary staff to help to maintain good sanitation in the Town and around these Hotels while its income from these Hotels has remained stationery since 10 years when the present Bye-laws were brought into force The Municipality has just recently introduced Conservancy System in the town free of cost The Hotels are very much benefitted by this system which help to maintain efficient sanitation in the Hotels It is therefore proposed to modify the present Byelaws increasing the licensing fees as per Schedule V of the Municipal Act but not levying the maximum rate

The Municipal Council which met at its meeting held on 28-8-1948 has resolved to increase the rate of the Hotel fees as shown below thus modifying the present rate of levy, which was approved in the Government Order No L 9143/M L 70-38-113 dated 17-5-1939

P T O

dated 17-5-1939

		Existing rate of fees	Proposed rate of fees

2nd "		10/-	20/-
3rd "		5/-	10/-

The Municipal Council after publishing the Draft of the proposed Bye-laws both in the Official Gazette and locally for the information of the persons likely to be affected thereby, also calling for objections from the public within a specified period as per rules, passed a resolution at its meeting held on 30th October 1948 to recommend to Government for the modification of the licensing fees in respect of Indian Hotels as was notified, since no objections of any kind were received till the date of the meeting which was more than a month from the date of the publication of the Notice

I therefore request you to be so good as to kindly accord sanction of Government to the proposal of the Municipality to modify the present Bye-laws pertaining to Indian Hotels as shown below at a very early date, as the beginning of the next Official year is drawing very near and the revised Bye-laws have to be given effect to from 1-7-1949 since Budget Proposals for 1949-50 are based on this modification anticipating sanction of Covernment
